

## Director Search Authorisation Form

In order for your funding application to progress further, the prospective funder requires authority from your directors in order to complete the relevant credit reference searches against the business and its directors as individuals. This information will be used by the funder in their decision-making process about whether or not to lend to you.

Our sharing of this information with any prospective funder will be in accordance with the data protection provisions of our Terms and Conditions, with the information set out on this form and with Hilton-Baird Financial Solutions' ("HBFS") general Privacy Notice, available at:

<https://www.hiltonbairdfinancial.co.uk/privacy-policy-and-cookies/>

By completing and signing this form, you confirm that you have provided copies of our Terms and Conditions, the information set out on this form and the web address of HBFS's Privacy Notice to each person whose data will be provided on this form. It is important that all information provided is accurate and up to date. The funder will search records relating to you and your business at credit reference agencies and add details of their search and application to their records. This will be seen by other organisations who may undertake future searches.

The funder may also check the information provided at fraud prevention agencies to prevent or detect fraud. If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies to prevent fraud and money laundering.

If you have made a joint application with a spouse or financial associate, both the funder and the credit reference agencies may link your records together, so you must make them aware that information about them contained on this form, or otherwise provided to us or the funder, will be used for the purposes explained in this form.

Each individual whose personal data is provided to the funder has a right to receive a copy of the personal information the funder holds about them, and this can be obtained by sending a written request directly to the funder.
