

DIGGIT BLUETOOTH OUTDOOR SPEAKER

KitSound have created a little gem with their new Diggit Portable Bluetooth Speaker. Its removable stake pops into the grass or sand and keeps the speaker elevated, so no sound is lost in the ground.

Perfect for summer, the Diggit is light and easy to stick in your bag to take with you wherever you decide to listen to music, be it picnics, BBQs, beach days, garden days, and lazy days.

THREE AWARD WINNING GINS

Orkney Gin Company's multi award-winning gins are hand-crafted in small batches using seven times distilled premium grain spirit and the finest botanicals. Our three gins, Johnsmas, Mikkemas, and Rhubarb Old Tom are all unique in taste, from fresh botanicals inspired by Orkney's summer in our Johnsmas, to warming winter botanicals in our Mikkemas. Our latest release, Rhubarb Old Tom is lightly sweetened. A full strength gin full of Rhubarb zing!

TRU DIAMONDS

When you want to make a stunning impression, Tru-Diamonds give you all the luxury and allure of top quality mined diamonds at a fraction of the price. Scientifically developed Tru-Diamonds are grown in specialized, state-of-the-art laboratories so you can be proud that the superlative gems you're wearing are conflict free, ethically produced and far kinder to the environment than mined diamonds.
