## FESTIVE GIFT GUIDE

### CRAGHOPPERS

### DREAMING OF A FLAT WHITE CHRISTMAS

#### LOST BARN COFFEE

The skilled team at the multi award-winning Lost Barn Coffee Roasters are fast gaining a reputation for excellence in the UK's coffee roasting scene. Passionate about sustainability, they ethically source top quality beans from far away continents, which they meticulously roast in small batches. Their selection of gift boxes has everyone in your life covered, delighting discerning coffee lovers, appreciators of artisan-made luxury hot chocolate and fresh tea fanatics. The beautifully presented gift boxes can be tailored to the recipient or put together your own bespoke gift from the full range of coffees and accessories in their online store.

### MERRY CRUSTMAS

#### GOZNEY

Who doesn't love pizza? Transform your garden into your new favourite restaurant with this super sexy portable pizza oven. Built to the exact ratios of a traditional Neapolitan oven, the Rocbox reaches up to 500°C and cooks restaurant quality pizza in just 60 seconds. Super simple to use the Rocbox has interchangeable burners so you can easily switch between gas and wood-fired cooking, a built-in thermometer so you are never left guessing and foldable legs so you can easily pop it in the car ready for your next adventure. The perfect gift for foodies this Christmas. **RRP £399**.

### **TWISTED STOUT SMOKEHEAD WHISKY**

Smokehead Islay Single Malt Scotch Whisky, is once again twisting tradition with their latest release, Twisted Stout. The limited-edition expression has been part finished in stout casks and is only available to purchase from [www.smokehead.com](http://www.smokehead.com)

Still packing that unmistakably Smokehead peaty punch, Twisted Stout brings a smoother, sweeter, and silkier experience with this delicious and different whisky.

Intertwined with the intense smack-in-the-tastebuds smoke you'd expect from Smokehead, the creamy, malty stout flavour adds unfamiliar notes of rich chocolate and treacle toffee, vanilla ice cream, roasted nuts, and toasted biscuits. It's Twisted.

### **DINE BY DAY, PLAY BY NIGHT**

#### **SIGNATURE ANDERSON LUXURY POOL DINING TABLE BY HOME LEISURE DIRECT**

The pinnacle of home entertaining. The ultimate space saver. The perfect compromise. You no longer have to choose between a family dining table and a pool table; the Signature Anderson is the best of both worlds. Serve your family and friends a lovingly prepared meal on the solid wood dining table, then remove the two-piece dining top to reveal a wow-factor 7ft pool table underneath. Constructed with a professional slate bed and featuring a tournament-grade playing surface, this pool table is set for serious competition. You won't find a higher-quality pool table within a more beautifully designed dining table.

### **RAURKIN' AROUND THE CHRISTMAS TREE**

#### **RUARK AUDIO**

The multi award-winning MR1 Bluetooth speakers from Ruark Audio provide remarkable sound in multiple applications. Flawless as computer speakers, ideal to use with a turntable and a fantastic way to improve the sound of your TV, MR1 Mk2 will fill any room with quality sound. MR1 is crafted from materials which provide the best sound quality. The careful combination of materials also makes MR1 highly tactile and as good to touch as they are to see and hear.

### **A GREAT GIFT FOR THE LOVERS OF COLD BEER**

#### **HOP HERO**

Made from high quality brushed stainless steel, with a powder coated finish, the Hop Hero insulated beer cooler is a 500ml beer glass shaped beer cooler that will keep your beer lover's favourite craft beer at the same temperature as it was poured, until the last drop has been drunk. Its push off lid and built-in bottle opener makes it ideal for any beer drinking occasion such as camping, hiking, fishing, parties, BBQ's, or any social event with friends.

**GREAT CHRISTMAS GIFT IDEA!** Winter SALE Now on with **25% OFF!**

### **KEEPING IT COOL**

#### **EMPIRE SUPPLIES**

The Empire double door fridge is perfect for keeping your beers and wine chilled and ready at your disposal. This beer fridge has a range of features, including LED lights, digital temperature control and self closing, lockable doors. Fan direct cooling means fast cooling times and the temperature is kept within a range of 2 to 10 degrees all set using the easy to use digital temperature display.

Behind the double glazed doors the interior LED lighting shows off your beers to the maximum and with two adjustable shelves you can set up your bottles just how you want them. It's simply an eye-catching display for your beers and wines!
