Qty	Item Code	Item Description	Packed
1	INO2583SF	Classical Range 32cm Stew Pan	
1	INO1256SF	Classical Range 32cm Lid	
		Returned to factory at customer's request for inspection. Both the stew pan and the lid have been used extensively and subjected to high temperatures, as evidenced by thermochromism. Both items were rebrushed and cleaned. There is minor lateral movement on the lid, which is still within tolerance.
