

just for you.

PRIZE
WORTH
£1,000

Ride in style
on a British
design classic

WIN! a classic 8-speed Pashley bike

Upgrade your wheels with a smart Pashley Britannia bicycle, fully equipped with all the best accessories

Based on Pashley's original 1920s design, the classic 8-speed Britannia is designed to bring fun and vintage elegance to trips around town or down winding country lanes. Bursting at the handlebars with all the extras that make taking your bike out a joy, it's something you'll cherish.

First up, hand-stitched leather grips and a handmade leather sprung seat, which gradually moulds to your shape for a super-comfy ride. Then there are the all-important chain guard and mud guards, as well as a classic easy-park prop stand, rear LED light and classic front lamp. Naturally there's

a wicker basket and 'ding-dong' bell. To complete the prize, Pashley is also throwing in a branded tote bag and leather frame guard.

Our winner can pick their colour, choosing from Old English White, Oxford Blue, Royal Red, Powder Pink or Duck Egg Blue, in frame sizes 17.5in, 20in or 22in (all come with classic cream tyres). You can have the bike shipped to you if you like, although Pashley would prefer to ship it to your nearest dealer so they can set it up safely for you to ride.
