Hi Neil,

(User) If i wanted to switch out the 24cm cauldron for a 28cm cauldron what would be the impact on the set price please? (Assuming the lid is also switched)

thanks
Matt

Good afternoon Matt,

(Staff) I can substitute the 24cm cauldron and lid, for the 28cm equivalents for an extra £50, instead of the difference of £70 on the regular prices of these items, if you order these in a Chef's set.

This will increase the total price from £1,225 to £1,275.

Please do not hesitate to contact me if I can be of any further assistance.

Kind regards,

Neil Corke
