For international air carriage, the Warsaw Convention as amended or Montreal Convention may apply, and limits UPS's liability for loss or damage to cargo. International carriage by road may be subject to the Convention on the Contract for the International Carriage of Goods by Road. Except as otherwise governed by international conventions or other mandatory law, the UPS Terms limit UPS's liability for damage, loss or delay of this shipment. There are no stopping places agreed upon at the time of tender of the goods. Shipper agrees to pay any duties, taxes, and charges that may be assessed at the time of importation. Shipper authorizes UPS to act as forwarding agent for export control and customs purposes, if exported from the US.
