Terms

Cancellation of adverts can only be accepted if received in writing from the advertiser. Media 10 requires an 8 week cancellation notice period, prior to the artwork deadline dates provided. The responsibility lies with the advertiser to ensure their written notification is received and acknowledged by the publishers. Adverts within this 8 week notice period cannot be cancelled and will be published and invoiced in line with the original booking. A cancellation fee (25% of the remaining value of adverts outside of the cancellation period) will be charged on all series bookings. Print adverts will not be included within the digital edition unless booked by separate agreement.

Artwork

A 15% colour variation must be allowed for on all printed material within the magazine or supplement. The responsibility remains with the advertiser to ensure their new artwork (or any changes to existing artwork) reaches the publisher in the appropriate format by the stated deadlines. All adverts booked on a series will be repeated unless otherwise stated by the advertiser in sufficient time prior to the artwork deadline.

Payment Terms: Invoiced in full on publication with 30 days terms.

I agree to these terms in relation to all insertions booked as stated above.
