Experience fine dining in opulent surroundings

WIN! A luxury vintage rail trip for two on the Belmond British Pullman

Experience an unforgettable evening of fine dining aboard this iconic vintage train, hosted by Tanqueray No. Ten gin

We've partnered with Belmond British Pullman and Tanqueray No. Ten to offer one winner and a guest the chance to experience the golden age of travel on **THURSDAY 22 NOVEMBER 2018**.

Dressed in your finest, you'll embark from London Victoria Station aboard the stately Belmond British Pullman, whose opulent carriages date from the 1920s and 1930s. The evening begins with a classic gin and tonic in your own private compartment, where you'll relax in an armchair at a table set with crisp linen and sparkling crystal glasses. As the train wends its way

through the Surrey countryside, you'll savour a seven-course tasting menu inspired by the seasons, paired with gin cocktails, fine wines or champagne – you choose whatever you fancy. With silver service and live entertainment, it's a rare chance to be immersed in the glamour of a bygone era.

Our winner will also receive two Tanqueray coupette glasses and a bottle of Tanqueray No. Ten gin as a keepsake from this very special trip.
