You can even send one to yourself!

* Jasmine Silk *

A high thread count is not necessarily the last
word in luxury contemporary linen. If you're
mindful of your skin, it's the material you sleep
on that matters. Pure mulberry silk pillowcase
from Jasmine Silk has all the qualities you'd
expect without the harmful toxins.

Jasmine Silk's super-soft bedding and accessories are
virtually guaranteed to leave your skin crease-free.

jonathan.russell@sutton-estates.co.uk

* Hotshot Flasks *

At last the answer to a gift dilemma faced every year by friends and families of
shooters! A novel useful gift for all country sports enthusiasts. Field sports
enthusiasts will love loading this cartridge-shaped vacuum flask into their
rucksacks for a great days shooting! The novelty
flask is ideal for hot drinks and scrumptious
soups helping you to keep fingers warm and
eyes alert throughout the day. A great talking
point amongst friends, the flask is designed to
look exactly like a shotgun cartridge with its
easily recognisable red body and a removable
cup that mimics the brass top.
