Hello, Neil Corke

Important info about your request for an increase

We received your request for an increase in instantly available payments, but we can't approve it yet because:

- We need to know more about you and your business, such as sales details and customer service history.

The good news is that you'll receive funds from sales above 4.106,00 € EUR as soon as we confirm those orders are fulfilled. Plus, there are changes you can make today to help us do so.

Take these steps to receive funds sooner and make your next request more effective:

1

Give clear, accurate product descriptions and include photos.

2

Ship right away and offer tracking info through PayPal.

3

Be clear and proactive when communicating with customers.
