#### Description of processing

The following is a broad description of the way this organisation/data controller processes personal information. To understand how your own personal information is processed you may need to refer to any personal communications you have received, check any privacy notices the organisation has provided or contact the organisation to ask about your personal circumstances.

#### Reasons/purposes for processing information

We process personal information to enable us to sell our goods and services to our customers; to promote and advertise our services; maintain our own accounts and records and to support and manage our employees.

#### Type/classes of information processed

We process information relating to the above reasons/purposes. This information may include:

- personal details
- good and services
- financial details
- family details
- lifestyle and social circumstances
- education and employment details

We also process sensitive classes of information that may include:

- physical or mental health details
- racial or ethnic origin
- trade union membership
- religious or other beliefs

#### Who the information is processed about

We process personal information about:

- customers
- suppliers
- professional advisers and consultants
- enquirers
- employees

#### Who the information may be shared with

We sometimes need to share the personal information we process with the individual themselves and also with other organisations. Where this is necessary we are required to comply with all aspects of the Data Protection Act (DPA). What follows is a description of the types of organisations we may need to share some of the personal information we process with for one or more reasons.

Where necessary or required we share information with:

- current, past or prospective employers
- educators and examining bodies
- family, associates and representatives of the person whose personal data we are processing
- employment and recruitment agencies
- business associates
- suppliers
- financial organisations
- consultants and professional advisers
- credit reference agencies
- debt collection agencies
- recruitment agencies
- central government

#### Transfers

It may sometimes be necessary to transfer personal information overseas. When this is needed information is only shared within the European Economic Area (EEA). Any transfers made will be in full compliance with all aspects of the data protection act.
