**Fine Copper Cookware**  
direct from the factory

Dear Neil,

The Falk Summer Sale is now in full swing and our hard-working despatch team have caught up with the initial rush of orders.

**[BROWSE THE FALK SUMMER SALE >>](#)**

We currently still have just about everything available **at 25% off the 2017 catalogue prices**, and will leave the sale open **until August 8th** to accommodate those of you away on holiday at the moment, **but there is a "but"...**

Availability of quite a few items, particularly the woks and frying pans, is now running low, and I expect to see several of these sold out shortly. So, if you are considering adding to your copper cookware collection at these bargain prices, I would strongly recommend not waiting until the last minute. These are the lowest prices you will find Falk Cookware anywhere this year - and there will not be any further reductions!

If you are currently away from home, and would like to place an order, you are welcome to add a note to your order requesting a future delivery date, and we will hold this until your return.

As always, if you have any questions, or require further information, please do not hesitate

to contact me, by replying to this email, or on Freephone 0800 133 7560.

With kindest regards,

Neil Corke  
Falk Culinair
