T&C 7.(2) (i)

7. Termination of Storage (1) Either the Company or Customer should give not less than 90 clear days' notice in writing to the other of its intention to terminate the contract and notwithstanding that the Company may have released the Goods before the expiry of such notice, all charges shall be payable to the date when the notice would have expired.

(2) If the customer terminates the Agreement in any Renewal Period then the Customer agrees to pay Company a sum equal to the following amounts

(i) a sum equal to the average monthly storage charge multiplied by the number of the full months remaining of the contract.

	Required Notice (days)	Notice till date	Leaving day	Breach of contract by (days)	Number of full months remaining	Average storage charge for the last 12 months	AMOUNT TO PAY
05/01/2022	90	05/04/2022	11/01/2022	84	2	£71.5385	£143.08

Goods will only be released after the final Invoice payment is made (including any outstanding charges as well as the above)
