Hello, Neil Corke

You're nearing a hold on instantly available funds

As your selling activity changes, payments above a certain amount per month may not be available right away. This gives us a chance to review these changes and keep transactions between you and your customers secure.

We wanted to let you know that you're nearing a limit on the amount that's immediately available to you. After making 4.106,00 € EUR in sales for the month, you'll receive funds from additional sales once we confirm those orders are fulfilled. You can help us do so by adding tracking info to your orders and following other [best practices](#).

We'll regularly revisit the amount that's available to you instantly. You can also request that more funds be available sooner.

Here's how to request an increase:

-  Log in to your PayPal account.
-  Go to the Money Page.
-  Click on "Request an increase in the amount available each month."

We'll usually respond right away, but sometimes it can take up to 3 business days. You can request an increase once every 30 days.
