# Information

If you do not pay off the full amount outstanding, we will allocate your payment to the outstanding balance in a specific order, which is set out below. The way in which payments are allocated can make a significant difference to the amount of interest you will pay until the balance is cleared completely.

## Repayment Options

### Minimum Payment:

The minimum payment is 10.00% of your closing balance or £100, whichever is greater. If less than £100 is outstanding at the end of your billing period, we will collect the remaining balance. If your balance is less than £5.00, we will not schedule a Direct Debit.

Please note that if you only make the minimum payment each month, it will take you longer (and cost you more) to clear your balance.

### Fixed Amount:

Choose a fixed amount to pay each month. If this amount is less than the minimum payment, the minimum will be collected. The smallest fixed amount is £100. This option will repay your balance faster and you will get charged less interest.

### Full Balance:

Pay your full statement balance every month on your payment due date and you will get charged 0% interest on card transactions (transfers will be charged interest as stated in the terms and conditions).

You can change your repayment option on the Payments tab in your online account. Your repayment method is Direct Debit. We will automatically schedule your payment from your nominated account.

## Your Interest Rates

In this billing period, monthly interest on card purchase balances was 3.43% (equivalent to 49.90%) and monthly interest on ATM withdrawal and cash transfer balances was 3.43% (equivalent to 49.90%). Interest is only charged on the balance for the prior billing period that was not paid off in full.

## Card Interest

The 'Card Interest Charge' stamped on your statement is the interest that relates to the card purchases you made in your previous billing period.

Normally, any interest that is due will be stamped onto your account at the end of that billing period. However, if you pay off your balance in full - and you're not carrying over any balance from the previous billing period - then all your card purchases are interest-free. We have to wait until your due date to see whether this would be the case.

On your due date, if we see you haven't paid your balance in full, we apply a one-off 'Card Interest' charge to catch up on the interest due on the card purchases from your previous billing period. Going forward, interest on your card and cash balances will be stamped at the end of your billing period as an 'Interest Charge'.

## Interest Charge

The 'Interest Charge' at the end of your billing period will relate to both interest from cash spend (money transfers to your bank account or ATM withdraws) and card spend.

If you'd like your card purchases to be interest-free, you need to pay your billing periods' closing balance off in full and then card purchases in subsequent billing periods will be interest-free as long as the balance continues to be paid in full.

## Payment Allocation

Unless you pay the outstanding balance in full, we will allocate your payments to balances which attract the highest interest rate first. We will apply your payments to balances which attract the highest interest rate first. We will apply your payments in the following order: interest, any fees, outstanding balance.

## If You Fail To Make A Minimum Payment

Failing to make your minimum payment can mean that you have broken the terms of this credit agreement and could result in us taking legal action against you. It could lead to you having to pay additional costs and make it more difficult for you to obtain credit in future.

## Dispute Resolution

If you have a problem with your agreement, please try to resolve it with us in the first instance. If you are not happy with the way in which we handled your complaint or the result, you may be able to complain to the Financial Ombudsman Service. If you do not take up your problem with us first you will not be entitled to complain to the Ombudsman. We can provide details of how to contact the Ombudsman. If you have any questions, please do not hesitate to email us on [contact@capitalontap.com](mailto:contact@capitalontap.com) or call us on 020 8962 7401.
